

## Approved 12/15/15

Regional Agreement Meeting 9/28/16

Present: Stacey Metternick, Deb Evans

Absent: Hannah Fraley

Meeting called to order at 8:35AM

No meeting minutes to review.

Discussed information received to date.

- Recapped conversation with Larry. Deb spoke with Larry about research from prior year for Regional Agreement. He recorded information in a binder, but no one has been able to get it yet. The information includes notes taken by Larry with information about town demographics and enrollment percentages.
- Reviewed information received from town halls. # of residents (unclear as we don't appear to have accurate numbers for this at town hall) and # of households (Gordon College makes this complex). Handout of historic data: resident student enrollment distributed.
- ACTION: Stacey send email to Town Manager and Town Administrator to seek clean resident data.
- Discussed that households appears to be a less volatile measure.
- ACTION: Deb get excel file from Larry to Share
- ACTION: Get enrollment data as of 10/1 from Donna

Mike Gilbert from MASC will attend our next meeting.

Next Meeting scheduled tentatively for 10/6/16 at 6pm.

Meeting adjourned at 9:25AM. Stacey Moved. Deb seconded. All in favor.

Respectfully submitted by Deb Evans
